

John Deere set 1 standard for 6R series

<u>Item</u>	<u>Connector</u>	<u>Partnummer</u>	
1		575200028	M.F.W.D / PTO / diff.lock / solenoid cabin damping / air temperature sensor
2		575400003	Stepmotor lifting / E-SCV, lifting and front PTO / hydraulic oil filter
3		575600029	Engine : EGR valve / air valve

4

575200037 EGR temperature sensor / fuel temperature sensor

5

575200014 AC clutch

6

575400017 airmassflow sensor

7

57512005 wiring harness coupling connector

8

575200060

most solenoids

9

575600013

Relais box

10

575300031

fuel pressure sensor common-rail

11

575400023

front PTO / solenoid cabin damping

12

575300004

front PTO (Zuidberg)

13

575200022

temperature sensors

14

575600005

iso bus

15

575600009

EGR valve

16

575200038

MPROP 20/30 series (6020/6030)

17

574300002

Case with inlay

18

574210018

Breakout box
