

## John Deere set 2 advanced for 6R series

<u>Item</u>	<u>Connector</u>	<u>Partnummer</u>	<u>Application</u>
1		57500012	Lighting
2		575200021	MPROP R series
3		575200022	temperature sensors
4		575200028	M.F.W.D / PTO / diff.lock / solenoid cabin damping / air temperature sensor
5		575200029	CSC solenoid

6

575200037

EGR temperature sensor / fuel  
temperature sensor

7

575200038

MPROP 20/30 series (6020/6030)

8

575200060

air temperature sensor, most solenoids

9

575200071

several sensors

10

575300004

front PTO (Zuidberg)

11

575300007

diagnostic plug

12

575300031

fuel pressure sensor common-rail

13

575300033

oil pressure sensor

14

575300045

Engine sensors

15

575300050

several sensors

16

575300051

several sensors

17

575400003

Stepmotor lifting / E-SCV, lifting and  
front PTO / hydraulic oil filter

18

575400017

airmassflow sensor

19

575400023

front PTO / solenoid cabin damping

20

575400034

Transmission sensor, several sensors

21

575600005

iso bus

22

575600009

EGR valve

23

575600011

gas pedal, brake pedal

24

575600029

Engine : EGR valve / air valve

25

575600041

several sensors

26

575100008

Engine connector

27

575120005

wiring harness coupling connector

28

575160002

Cabin connector

16 pin

29

573000030

Extension cable for breakout box 3  
meter

30

574300001

Case with inlay

31

574210018

Breakout box
